REPRESENTING _____

PHONE NUMBER: _____

QUESTION: When a late contribution report is filed after the deadline for
filing such reports (filed after June 6 or November 7) it is
required that the late filing be sent by mailgram/telegram instead
of first class mail--why?

ANSWER: It was decided at the opinion request meeting of 6/21/84, that
late contribution reports filed after the date of the election
may be sent by first class mail.
